

RVT – Join Our Growing Team!

Position: Registered Veterinary Technologist

Hospital: i-Care Veterinary Hospital

Location: Coombs, BC

Job Type: Full-time Employment

Description: We are a family owned companion animal hospital in Central Vancouver Island blending progressive technology, high quality medicine, and genuine enthusiasm for the veterinary profession.

Key Duties & Responsibilities:

Communicate in a compassionate and professional manner with clients and fellow veterinary care team members using efficient oral and written communication skills.

Administer and analyze diagnostic tests (hematology, clinical chemistry, cytology, urinalysis, etc.) utilizing appropriate equipment and techniques.

Assist Veterinarian with surgical and therapeutic procedures. Utilize gold-standard patient care techniques, ensuring operating room environment complies with all aseptic standards and protocols.

Administer and monitor anesthesia and analgesia in accordance with the veterinary scope of practice and provincial laws governing the RVT profession.

Provide excellent veterinary nursing care in a professional and ethical manner through the synthesis of veterinary theory, principles and concepts (including Fear Free techniques) within the scope of regulations dictated by the provincial governing laws of the profession.

Document and maintain accurate veterinary medical records, following regulated procedures and standards.

Operate and maintain state-of-the-art veterinary medical equipment, following health and safety regulations in accordance with veterinary profession standards.

Execute and evaluate quality diagnostic images utilizing knowledge of theory, principles and concepts.

Perform dental procedures in compliance with professional veterinary industry standards, employing an in-depth knowledge of dental structures, conditions and lesions, causes and stages of diseases.

Manage multiple priorities simultaneously in a fast-paced environment.

Maintain an appropriate inventory of all medical supplies as determined by veterinary office inventory control procedures.

Maintain and support a collaborative work environment and assist other staff members as required.

Total Compensation - We recognize how critical RVTs are to providing the best possible medical, surgical, and preventative medicine. We prove this by supporting your personal, financial, and professional growth through:

A Competitive Wage Rate

A Comprehensive Health Benefits Package (Medical, Dental, & Vision premiums 50% paid)

Paid Licensing & Membership Dues

Paid Vacation Time

Paid Sick & Personal Emergency Days

Generous Veterinary

Clothing Allowance

If you are looking for a progressive environment where each individual is heard, and recognized for their unique contributions, we'd love to talk.

We are an equal opportunity employer and are committed to providing a respectful, inclusive, and diverse workplace.
